Thank you for purchasing the 3-in-1 Floor ‘N More Support Seat from Summer Infant.

This multi-use seat is designed to grow with your little one from approximately 4 months to approximately 4 years of age, providing a safe place to sit, snack and play!
## Infant Floor/Support Seat Use:

### WARNING

**FALL HAZARD:** Infants have suffered skull fractures falling while in and from floor seats:
- Use **ONLY** on the floor.
- **NEVER** use on an elevated surface.
- **ALWAYS** use restraints. Adjust to fit snugly.
- **NEVER** lift or carry child in the product.
- Use **ONLY** with a child that is able to hold their head up unassisted.
- **STOP** using when child can climb out or walk.
- **ALWAYS** keep child in view while in product.

**DROWNING HAZARD:** Infants have drowned when floor seat has been placed in a bath tub or pool.
- **NEVER** use in or near water.
- Discontinue use of the product if damaged, broken, or disassembled.

## Booster Seat Use:

### WARNING

Children have suffered **head injuries**, including skull fractures, **after falling** with or from booster seats.
- Check that booster seat is **securely attached** to adult chair before each use.
- **Always use restraints** until child is able to get in and out of booster seat without help. Adjust to **fit snugly**.
- **Never** allow child to **push away from table**.
- **Never lift** and **carry** child in booster seat.
- **Stay near** and **watch** your child during use.
- **ALWAYS** secure **BOTH** back and seat straps to an adult chair.
- **NEVER** leave child unattended and without supervision.
- Prevent serious injury or death. **Do not use** in motor vehicles.
- **NEVER** use this product as a car seat or bath seat, on a table or counter top, stool, swivel chair, folding chair, unstable chair or any chair where the straps cannot secure it properly.
- Minimum dimensions of adult chair that the booster seat shall be attached to: Seat width 18 in. and depth 18 in., and the seat backrest height is at least 8 in. tall.
- Until child is able to get in and out of the booster seat without help (about 2½ years old), the child should be secured in the booster seat at all times by the restraining system. The tray is not designed to hold the child in the chair.
- **Use this product only with children capable of sitting upright unassisted.**
- **Check that both the floor and seat of the chair are level** before installing the booster seat.
- **Prevent finger injury:** Keep child away from chair when installing the tray.
- **Once installed**, check the security and position of the booster seat.
- **Do not use** this booster unless all components are correctly fitted and adjusted.
- **Discontinue use** of the product if damaged, broken, or disassembled.

**PREVENT FALLS:** **ALWAYS USE ADULT CHAIR STRAPS** when using product on elevated surfaces as a booster seat.
components:

Seat Base will come preassembled with: Fabric Seat and Restraint Straps

A Fabric Seat  
B Restraint Strap  
C Seat Base  
D Backrest  
E Feeding Tray  
F Adult Chair Straps (4)  
G Long Screws (2)

Hardware:

Replacement parts:

13630-02 : Fabric Seat  
13630-06 : Tray  
13630-13 : Waist Restraint  
(Chair straps and T-buckle)

assembly:

1 Move seat pad to center of seating area.

2 Insert backrest into slots on both sides of seat.

3 Firmly push down on backrest to lock it into the base.  
   NOTE: Ensure backrest and base are fully connected. Test connection points before use.
assembly (continued):

Flip the seat over. Insert and fasten the 2 long screws.

Helpful Hint: If possible, use a long screwdriver on the two screw locations.

Note: Bottom front T-straeps will be attached prior to first use. To re-attach fabric seat if you need to remove and machine wash it, rethread T-straeps through the slots.
assembly (continued):

5. Thread the three T-straps on the back of the fabric seat into the slots on the backrest.

6. Insert the two plastic fasteners on the underside of the fabric seat into the top of the seat frame.

7. Insert the four plastic fasteners into the keyhole slots on the front of the seat frame. Slide fasteners to lock.

Note: Pull up to ensure the straps are fully inserted. They should not pull out of the slots.
Connect tray to the seat as shown.

**WARNING**

The tray is not designed to hold the child in the chair. ALWAYS secure child in the restraint.

**Note:** It may help to place one hand on the back of the activity tray. Pull on all sides of the tray to ensure that it is fully connected.
modes of use:

1. Positioner/Support Seat
   Fabric insert supports baby's waist & back. Use for babies just learning to sit up unassisted.

2. Warning
   When seat is used on an adult chair, use only the feeding tray.

3. Booster Seat
   Use on an adult chair (chair straps included).

- Only use for children who can sit up unassisted.
- Only use for children who can sit up unassisted.
- Only use for children who can sit up unassisted.

- Only use for children who are able to hold their head up unassisted (approximately 4 months of age). Stop using as a Positioner/Support Seat when child can walk or get in and out of product by themselves (approximately 12 months of age).

- Only use for children who can sit up unassisted.
Pull the lever beneath the feeding tray.

**WARNING**

ALWAYS secure child in the restraint.
attach to adult chair:

1. Thread the adult chair straps (F) into the slots on the underside of the seat base.

   **Note:** Pull up to ensure the straps are fully inserted. They should not pull out of the slots.

2. Fasten clips around the chair back and underneath chair seat.

   **IMPORTANT**

   Never use on an adult chair without securely fastening chair straps. Always tighten adult chair straps and test security before use.
Once fully assembled, a storage pocket is located underneath the front of the seat. This pocket is used to store the adult chair straps. Coil straps and insert.
removing fabric seat:

1. Remove the feeding tray.

2. Pull up the two fasteners on the underside of the fabric seat by lifting them up and out from the seat base.

3. Remove the four fasteners from the keyhole slots on the front of the seat base by sliding out.

4. Remove the three T-straps from the slots on the backrest.
removing fabric seat (continued):

5. Remove the two T-straaps from the slots underneath the seat.

Cleaning & maintenance:

- Wipe frame with a damp cloth and mild soap.
- Do not use if any components are damaged, missing, broken, or disassembled.
